

# SALVINI'S LAW IS A SERIOUS ATTACK AGAINST THE IMMIGRANTS AND THE POOR

This new law includes:

- **ABOLITION OF HUMANITARIAN PERMITS:** almost all asylum seekers no longer obtain the residence permit and become illegal immigrants.
- **DETERIORATION OF HOSPITALITY** in centers for asylum seekers.
- Those who do not have the permit are placed in **PRISONS FOR IMMIGRANTS**, called **CPR**.
- Increase in the number of **EXPULSIONS AND REPATRIATIONS**.
- **CITIZENSHIP:** the waiting period for citizenship is doubled, and then it can even be removed.
- **IMMEDIATE EVACUATION** and harsher punishments for houseless who occupy empty buildings.

**LET'S UNITE!  
NO TO THIS RACIST LAW AGAINST POOR PEOPLE**

**SATURDAY 13TH OF OCTOBER, 2 PM PIAZZA ROVETTA
